## 2025 PRODUCT GUIDE

# **MAXIMUM FLAVOUR, MINIMUM EFFORT.**

We're taking the guesswork out of outdoor cooking and are committed to letting everyone experience the unmatched flavour of charcoal.

A close-up photograph of two BBQ chicken legs cooking on a grill. The chicken is golden brown and covered in a dry rub seasoning. A hand with a tattoo on the index finger is holding a wooden spatula, positioned to flip one of the legs. The background is dark, making the food stand out.

## DIGITAL CHARCOAL BBQ + SMOKERS

### HOW IT WORKS

#### 1. LOAD

Fill the GravityFed™ hopper with lump charcoal or briquettes.

#### 2. LIGHT

Use a Masterbuilt Fire Starter to easily light your fire.

#### 3. SET

Set the temperature on the digital control panel or using the Masterbuilt app.

## FEATURES

### **GRAVITYFED™ CHARCOAL HOPPER**

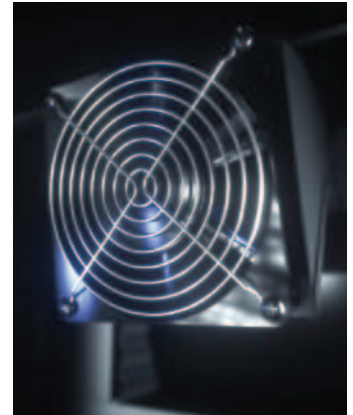

Let gravity do the work to automatically feed charcoal for a continuous burn.

### **DIGITALFAN™ CONTROL**

Automatically provides airflow to the charcoal to maintain desired pre-set cooking temperature.

### **SMOKE + SEAR VERSATILITY**

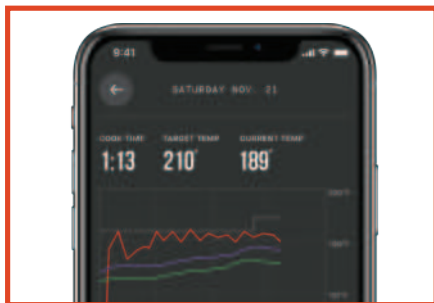

Temperature versatility from 110°C for low-and-slow cooking to 370°C for high-heat searing.

# STAY CONNECTED

Control and monitor your BBQ from anywhere using the Masterbuilt® app.

### GRAPHING

Track grill and meat probe temperatures and monitor over time on the app.

### MONITOR MEAT PROBES

Set and track up to 4 meat probes simultaneously.

### NOTIFICATIONS

Receive notifications when target temperatures are reached on the grill or meat probes.

### RECIPES

Browse hundreds of Masterbuilt recipes directly in the app.
