

STANLEY STOVE WARRANTY

CONDITIONS OF WARRANTY

Your Stanley Stove is guaranteed against any part that fails (under normal operating conditions) for a two year period from the date of installation of the appliance. If the unit is not installed within six months of date of purchase, the warranty will commence six months from the date of purchase.

All warranty claims must be reported to the Waterford Stanley Service Department and must be submitted with the product serial number (located on the back of the bottom door on Slim models & on the bottom of the back face of the front panel on Oval models), date of purchase, proof of purchase (if requested) and details of the specific nature of the problem.

The warranty is given to the original consumer/purchaser only and is non-transferable. The appliance must be installed by a suitable qualified person (RGI Registered in ROI & Gas Safe Registered in NI/UK or equivalent) and installed as per the requirements of the manual. Failure to comply with the Installation Requirements or Building Regulations will void your warranty. Waterford Stanley reserve the right to replace any part due to manufacturing defect that fails within the warranty period under the terms of the warranty. The unit must be used for normal domestic purposes only and in accordance with manufacturer's operation instructions.

LIMITS OF LIABILITY

The warranty does not cover:

- * Bulbs and Batteries.
- * Special, incidental or consequential damages, injury to persons or Property, or any other consequential loss.
- * Any issue caused by negligence, misuse, abuse or circumstances beyond Waterford Stanley's control.
- * Any issue with wear and tear, modification, alteration, or servicing by anyone other than an authorized service engineer.
- * Damage resulting from installation & usage where the appliance has not been installed or used in accordance with the installation or operation instructions or if the installation does not conform to local building, fire & safety regulations.
- * Damage caused to the unit while in transit.
- * Damage caused by storing the unit in a damp, unheated environment.
- * Fading of Paint Finish.
- * Aesthetic damage & missing parts on units purchased off display.
- * Removal & re-installation costs.

Note: Adequate clearance must be maintained around the appliance to ensure the ease of part removal in the possible event of their damage/failure. Waterford Stanley are not responsible for any costs incurred in the removal of items installed in the vicinity of the appliance that have to be moved to facilitate a part replacement.
